

Best seller!

Pfaff Hand pallet trucks

Designed for the hire industry!

Pfaff's range of hand pallet trucks have gained an enviable reputation for strength, quality & durability. They are recognised and proven within the hire industry as the number one truck.

All Pfaff trucks have a high-quality epoxy coating, a comfortable ergonomic handle which can be turned on 210° to both sides and can be supplied with varied steering / load wheel combinations.

We can offer two fork widths in our Silverline (best seller) ranges to suit both the standard Euro and GKN pallet sizes.

Features

- Smooth and quiet motion due to the use of rubber rollers.
- Easy handling as the handle is released from the hydraulic system to the neutral position.
- Precisely adjustable pressure control valve to prevent damage from overloading.
- One-hand control for controlling all functions such as lifting, transporting and lowering.
- Ergonomic handlebar.
- Specially hardened axles, maintenance-free bearings and hard chrome-plated piston rods.
- Precision lowering valve to enable you to adjust the lowering speed to your requirements.

Investment casting with integrated oil reservoir. Increased safety with spring guard

Double coated chrome piston with high quality seals reduce effort at maximum load

High quality rod assembly and lever giving controlled lifting and lowering

High quality construction

Epoxy coated finish

210° steering left and right

Rubber wheels as standard, but other options available

Robust design with reinforced frame for greater strength
